Register

The Cornea and Contact Lens Society of Australia is a not for profit organisation. Attendance costs and sponsorship allow us to run educational and networking events and generates funds for future cornea and contact lens research.

MEMBERSHIP: CCLSA membership forms are available at www.cclsa.org.au or email info@cclsa.org.au.

This event is proudly supported by:

WA STATE CHAPTER MEETING

SPEAKERS

Maria Markoulli

Maria Markoulli is a Senior Lecturer at the School of Optometry and Vision Science at the University of New South Wales in Sydney, Australia. In 2012, she was awarded with her PhD that explored the aetiology of contact lens-induced corneal erosions. Her first post-doc role was as a project manager of the meibomian gland dysfunction project at the Brien Holden Vision Institute. She is a dual Ezell fellow from the American Optometric Foundation and was on the Tear Film and Ocular Surface (TFOS) society sub-committee of the contact lens discomfort workshop and on the pathophysiology sub-committee of the TFOS Dry Eye Workshop II.

Dr Ian Chan
MBBS (UWA), FRANZCO

Dr Ian Chan sub-specialises in Cornea, Cataract, and Refractive Surgery. As a corneal sub-specialist he deals with many complex anterior segment problems. He has a particular interest in complex lens implant surgery, therapeutic excimer laser treatment, collagen cross-linking and corneal transplantation. His practice is in Hollywood Medical Centre, Nedlands.
